Climate Change – deforestation of the rainforest, tradelinks, treasures of the rainforest, medicines and foods.

Turkish Tulips

An old, battered suitcase has appeared in our cupboard and inside we are receiving letters from a mysterious girl called Norma.
She will be challenging us to be brave and curious and to think outside the box, developing our thinking skills and our resilience. We will be sending our thoughts and ideas to her through the suitcase and responding to her replies.

A brief overview of how the topic this term fits into many different subjects in the National Curriculum. As you can see, it targets many different subjects in interesting and exciting ways, linking the children’s understanding and learning. Subjects which don’t fit in will be taught as stand alone subjects.

Art/DT

Sketching – trees in winter, pencil technique and observational skills.
Shading – continuing to develop pencil control and building on last terms skills.
Food Technology – making Turkish Delight, link to irreversible changes in science.
