

# Sports Premium Allocation Report: Woodland Primary School

2017/18

---

The government has provided a sports premium since. The funding formula for schools is based on the number of primary children on role. The funding is used to increase the quality and breadth of PE and Sports provision to increase in PE and sport.

## Overview of the school

Number of pupils and sports premium grant received	
Total number of pupils on roll	44
Amount of Sports Premium received	£8225

## Objectives of SPG spending in 2017-18

To develop an enjoyment of sport and physical activity and promote a healthy lifestyle in children from an early age.

To Inspire children of all abilities to continue the sporting legacy of the London 2012 Olympic Games and the success in Rio 2016.

To support all pupils to realise their ambitions and identify their skills and talents.

To educate all pupils in how to maintain a healthy lifestyle and use sports activities to maintain good health and develop social skills.

To facilitate children in establishing and maintaining new friendships and team skills.

Our school has developed partnerships with Education Enterprise and Staindrop Academy to develop the delivery and opportunities for PE/Healthy Lifestyles in our school.

New Funding – develop opportunities to have focused intervention to support development in identified areas.

## Focus of SPG spending in 2017-18

Raising achievement in Physical Education through professional delivery and development for teachers and other staff.

Raising participation levels and improving health.

Increasing opportunities to take part in competitive sport.

Increasing access to outdoor and adventurous activities.

This year we are spending our Sports Grant on:

Specialist sports coaching: Education Enterprise

Sports Coaching and competition and festival access – Staindrop Academy PE Cluster

Access to a range of sports clubs including Football, Taekwondo and Street Dance

**£7000**

Transport to and from events

Participation in a range of competitions including football, rugby, netball and cricket

Access to outdoor and adventurous activities

PE additional resources

**£1225**

## Objectives of SPG spending in 2017/18

Raising achievement in Physical Education through professional delivery of sport and professional development for teachers and other staff.

Raising participation levels and improving health.

Increasing opportunities to take part in competitive sport.

Increasing participation in outdoor and adventurous activities.

Developing a range of sports clubs to engage all children in extra-curricular sport and exercise.

Raising the profile of sport in school.

## Measuring the impact of SPG spending

Children will develop skills and confidence in a wide range of sports through the professional coaching in school from Education Enterprise and Staindrop Academy SLA.

**Children accessed a wide range of sports through specialist coaching in curriculum time, after school sports clubs and taster sessions.**

All pupils will have opportunities to participate in inter school festivals and competitions using the Sports Premium funding.

**All pupils from Reception to Year 6 participated in a wide range of sports festivals and competitions. – hosted by Staindrop Academy, local sports clubs and organisations and inter school and intra-school.**

Sports clubs will be available after school, subsidised by Sports Premium money, including Football, Taekwondo and Street Dance.

**Sports clubs are well attended and introduce pupils to new sports. Children have pursued these sports further through local clubs.**

Transport will be provided to a range of sporting events and activities, Sports Premium enabling participation.

**Woodland is a remote school and access to good quality sports events and facilities can be compromised by travel costs. This year children have all participated in PE festivals and competitions and a range of specialist facilities with transport being provided by the PE grant.**

The profile of sport will continue to be increased in school and all children have opportunities participate in a range of sporting activities each week, developing skills, teamwork and an understanding of the benefits of physical activity.

**Children develop a good understanding of the importance of physical activity for both physical and emotional wellbeing. Every child in school has accessed a range of sports.**

Staff will work alongside professional coaches to develop their skills in delivering gymnastics.

**Staff are developing in confidence in target areas and are able to deliver high quality PE.**

CPD will be available to staff through the SLA with Staindrop Academy developing skills and confidence in delivering PE.

**CPD available to staff on a half termly basis.**

The improvements seen as a result of the Sports Premium will be sustainable due to:

- Higher skill levels for pupils due to specialist coaching.
- Opportunities to participate in competitive sport.
- Increased opportunity in school to try new sports and activities.
- Encouragement to join local training and clubs.
- Greater staff confidence and expertise as the result of working with specialist sports coaches.
- A growing culture of co-operation and competition between local schools
