MESSAGE TO PARENTS AND THE LOCAL COMMUNITY FROM STAINDROP ACADEMY

We would appreciate it if you could take the time to complete a survey which goes towards a project the Academy are working on. The project is to secure funding to refurbish and fully equip one of our larger classrooms with gym equipment. This would then become a Community Gym which will be used by our students and the public. The Community Gym would be led by a group of volunteers including members of the Academy.

This questionnaire has been designed to secure vital information around its potential use, price ranges and interest in being part of the group to lead/volunteer within the gym.

Please go to the following link to complete the questionnaire. We would appreciate it if you could share this link with any friends and family who live in the area. The more responses we get the better chance we have of securing the funding.
