

WOODLAND SCHOOL NEWSLETTER 1st March 2019

Urgent – Nut Allergy—Update

One of our children has been diagnosed with a serious cashew and pistachio nut allergy. In order to ensure that we have a safe environment for this child, we would ask that no-one brings any food containing cashew or pistachio nuts into school either in snacks or packed lunches.

**Thank you for your support in this.

Online Safety

Over the last few days there has been concerns in the media regarding what children can access online. Durham County Council has issued some guidance and information for parents which is attached.

World Book Day—Thursday 7th March

On that day, we would like the children to bring one of their favourite books and dress up as a character from that book. We will also be holding a 'book swap' where the children and parents are invited to bring along a book that they have read and would like to swap.

WORLD
**BOOK
DAY**

At 8.55am on the morning of the 7th you are invited to accompany your child into school to share a book with them. We will then have a chance to look at the children's costumes and books in a short assembly (you are welcome to join in with this). The children will then return to their classrooms and complete some reading and book activities. In the afternoon, the older children will share books with the younger ones.

A Scholastics brochure was sent home yesterday with a £1 book voucher which can be used as part payment for Scholastic books or in any book shop.
