Dear Parents,

The children have been invited to participate in a Harvest concert at St John’s Church Lynesack on Sunday the 6th of October at 3pm. The concert is intended to showcase the talent of young people in the parish therefore the child have been invited to perform.

The suggested ideas are a harvest song, write or recite a harvest poem or prayer or play a musical instrument. Please fill in the slip below to let us know whether your child would like to take part and return it to school no later than Monday 23rd September.

There will be a member of staff present but we would ask parents to accompany their children on this occasion. If your child requires any help preparing their performance please let us know and we would be happy to help.

Kind regards

Mrs Denham

Please return the reply slip back to school by no later than Monday 23th September.
