

Dear Squirrel Parents,

On Thursday 24th October we are hosting a morning of activities for the children based on “The big book of Magical Mix Ups” . We have invited some children from Butterknowle School to join us as a follow up to the trip to Bowes Museum. We will be baking, making, reading and generally having a magical time.

On that day your child can come to school dressed in a magical outfit if they would like to, or wear one of our many costumes in school. They can keep their costume on all day so they do not need to bring their uniform as well. Please remember a coat though for playtime and lunchtime.

Thank you

Debbie Fletcher
