20th March 2020

Dear Parents

Thank you to everyone for all your support and understanding in the last few weeks. All children should have a pack to cover the next two weeks up until the Easter holidays. The next set of work will be set electronically for after the holidays and we will email you to let you know when it is available.

If you need to contact the school while we closed please use the school email address and include your contact number and somebody will be in touch as soon as possible.

Obviously, we will keep you updated on any change in provision or plans for re-opening. In the mean time we wish you all the best and hope to see you all again before too long.

Kind Regards

From Mrs Carr and all the staff at Woodland Primary School.
