## **Reminder**

Just a reminder we are not allowing anyone other than essential staff in to the school building at this present time. For breakfast and after school club we will let the children in and out from the main office door.

Thank you for your cooperation.

## **Keeping children safe online**

With children spending more time on line for work and pleasure, and the fact that technology moves on so quickly, it is important that we monitor our children's online behaviour. <https://www.internetmatters.org/> is a useful site for parents that has been recommended by the Local Authority and is worth visiting.

## **What to do if you are concerned for the safety of a child**

Child abuse can have major long-term effects on all aspects of a child's health and well-being. Children and young people are dependent on others for their survival and have a right to be protected and to have someone who will act on their behalf.

If you have a concern about a child or young person or are having difficulties in your own family First Contact is the service to call.

First Contact brings together staff from Children's Services with partners such as Durham Constabulary and Health practitioners.

### **Call First Contact on 03000 26 79 79**

You can find more information about this and other services to protect and support children and families on the First Contact webpage.

You may find it useful to refer to Thresholds Document(0-19 Levels of Need) which outlines the levels of need which determines service provision required to respond to need.

Remember that if you suspect a child or young person is at immediate risk of harm then phone the police on 999.

## **Flu Immunisation Consent Form**

The Flu immunisation consent forms were sent out this week for all children in Reception to Year 6, please make sure that they are returned to school by no later than **Friday 2nd October**. The vaccination programme will take place in school on the afternoon of Monday 12th October.

Thank you in advance.
