Children have developed skills and confidence in a wide range of sports through the professional coaching in school from Education Enterprise.

All pupils have had opportunities to participate in inter school festivals and competitions using the Sports Premium funding.

Sports clubs are available after school, subsidised by Sports Premium money.

Transport has been provided to a range of sporting events and activities, Sports Premium enabling participation.

The profile of sport has increased in school and all children participate in a range of sporting activities each week, developing skills, teamwork and an understanding of the benefits of physical activity.

Staff have worked alongside professional coaches to develop their skills in delivering gymnastics.

The school had a very successful year in sporting competitions participating in the Sainsbury's Tag Rugby competition, the Teesdale Small Schools Football Tournament and the Woodland Football Tournament. They also competed in a cricket festival at Barnard Castle Cricket Club.

- Opportunities to participate in competitive sport.
- Increased opportunity in school to try new sports and activities.
- Encouragement to join local training and clubs.
- Greater staff confidence and expertise as the result of working with specialist sports coaches.
- A growing culture of co-operation and competition between local schools
