

**The impact of Education Enterprise services in relation to Primary School Sports Premium indicator 2020/2021**

This document highlights how services delivered by Education Enterprise Legacy (EEL) support schools to make additional and sustainable improvements to the provision of PE and School Sport (PESS) to encourage the development of healthy, active lifestyles. The Department for Education’s vision for the Primary PE and Sports Premium (PESP) is that ALL pupils leaving primary school should be physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport. As an organisation our core belief is that **we believe over time we can influence a lifelong commitment to sport, physical education and learning**. We endeavour to see an improvement against the following 5 key indicators in all the schools we work in partnership with:

<b>KEY INDICATORS</b>				
<p><b>Indicator 1: the engagement of all pupils in regular physical activity</b> - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school</p>	<p><b>Indicator 2: the profile of PE and sport is raised</b> across the school as a tool for whole-school improvement</p>	<p><b>Indicator 3: increased confidence, knowledge and skills of all staff</b> in teaching PE and sport</p>	<p><b>Indicator 4: broader experience of a range of sports and activities</b> offered to all pupils</p>	<p><b>Indicator 5: increased participation in competitive sport</b></p>
