Owl Class 30 days Wild information

As part of our Outdoor Classroom topic (and just because it's great fun!) Owl Class are once again taking part in the Wildlife Trusts' 30 days Wild Challenge that starts in June. This annual nature challenge is where the nation is asked to do one 'wild' thing a day every day throughout the coming month. Your daily Random Acts of Wildness can be anything you like - birdwatching, puddle-splashing, litter-picking, you name it! Your child will come home with lots of examples of things they could do.

To celebrate the first day on Tuesday 1st June the Wildlife Trust are encouraging everyone to take their morning cereal, toast, or cup of coffee into the garden or local green space and enjoy the fresh air in the Big Wild Breakfast!

(See the attached Breakfast Placemat) <https://www.wildlifetrusts.org/big-wild-breakfast>

Hopefully the weather will allow us to do lots of wonderful outdoor activities over the holidays, even if it's just 'Singing in the Rain!' Enjoy!

'Keep in the Know'

Keep In The Know is a free messaging service brought to you by Durham Constabulary where you decide when and how you are kept informed about the issues that matter to you.

We believe that by improving the flow of information between the community and its police we can all make a greater impact in the prevention and detection of crime and anti-social behaviour.

Email alerts are sent to particular groups and communities so the more information you tell us when you register, the better our messaging will be.

For example, if you indicate you have CCTV installed in your business or home, when a crime occurs or we are seeking a missing person in your area, we will contact you to see if you can provide invaluable help.

The more we know about you, the better our community resilience can be. Although it is not for reporting crimes or incidents, you can reply to emails and let us know what is affecting you.

To sign up visit keepintheknow.co.uk or email your name, postcode and Email address to Steven.Richardson@durham.police.uk your local neighbourhood officer. You can unsubscribe at any time.

HEALTHY DIET

May Half Term – Fun and Food

Our Fun and Food programme is providing activities with healthy snacks and meals for children and young people this half term. All activities are offered through Voluntary and Community Sector partners and schools who will be operating in a Covid secure way, in line with current guidelines. Activities may be virtual, activity packs or face-to-face.
