Update—Christmas Play Performance

Unfortunately the current rules from Public Health and the Director of Education mean that the Christmas play will have to be filmed and shared virtually, as we did last year, via password on the school website. If the rules change, we will let everyone know.

Children in Need and Samaritan's Purse Shoe Box Appeal

Thank you to everyone who donated to our Children in Need Activity Day and sent items and postage money for our Samaritan's Purse Shoe Box Appeal. The shoeboxes are sent to over 100 countries all around the world and the boxes the children have filled today are being sent this weekend.

The children had a fun afternoon taking part in all the activities.

Thankyou from Mrs O'Brien and The School Council

Thank You—Morrisons It's Good to Grow Campaign

We would like to thank everyone that collected and donated the 'It's Good to Grow Vouchers' for school. We raised 2286 vouchers and with these we have ordered, a new water hose, wheelbarrow, gardening tools and seeds. These will be delivered in Spring next year, ready for the new growing season.

AmazonSmile—Friends of Woodland School

Friends of Woodland School have signed up to AmazonSmile. As you know lots of people buy items from Amazon and if you buy it through AmazonSmile and select friends of Woodland School as your chosen charity, you can help raise money for the children at school to enjoy lots of extra activities and treats. Thank you in advance.

Recycle Your Small Appliances

Woodland School are taking part in the small electrical recycling scheme. If you have any small appliances such as irons, phones, kettles, toasters, hairdryers, straightener, games equipment they can now be recycled through school. A leaflet was sent home last week with more details. **There is also a competition to enter for anyone who has recycled an item. The collection box number is 66. There is a leaflet attached with full details on.**

We also have a battery recycling facility in school. You can send in any used batteries and once we have filled the cylinder, they will be collected for recycling.
