Dear Your Majesty,

My name is Rosanna and I am 11 years old. I am writing to congratulate Your Majesty for being on the throne for 70 years and your Majesty's outstanding service.

I am a student at Woodland Primary School and we have enjoyed a marvellous afternoon tea with our parents in honour of Your Majesty. We dressed in red, white and blue and the Parish Council gifted us an amazing commemorative coin to remember your Majesty's Platinum Jubilee. A few children played the National Anthem on musical instruments. After we ate, we played traditional garden games from the year your Majesty first sat on the throne.

We would like to take this moment to thank your Majesty for your Majesty's strong 70 years of courageous service and loyalty to the country and for being the longest living monarch.

Our school really hope that a member of your Majesty's family will visit us in our humble school. I have the honour to be, Madam, to be your humble and obedient servant.

Rosanna

Dear Your Majesty,

My name is Thomas and I am 10 years old, I am originally from Yorkshire Halifax but now I live in South Side Buteknowle, I am writing to congratulate Your Majesty for the Platinum Jubilee and Your Majesty's outstanding 70 years of service!

I am a pupil at Woodland Primary School we recently enjoyed an afternoon tea with school recorder players (including me) playing the national anthem. All of the pupils were dressed in red, blue and white. Before we ate we were given a commemorative coin in commemoration of Your Majesty's service.

I would like to take this opportunity to do two things: first of all to thank you for Your Majesty's 70 year dedication to the throne and secondly is to ask a question. My question is if Your Majesty wasn't Queen what would Your Majesty do for a job?

I have the honour to be, Madam, Your Majesty's humble and obedient servant, Thomas Lumb Brown
