Internet Safety Day 2023

Internet Safety Day is fast approaching, and the children are busy doing work in school around this year's theme, *'Want to talk about it? Making space for conversations about life online'*.

The official date for Internet Safety Day is Tuesday, 7th February and you can find activities to do, and films to watch, at <https://saferinternet.org.uk/safer-internet-day/safer-internet-day-2023>.

We would like to invite you to come into school on Friday, 10th February at 2.30 p.m. to undertake activities and games with the children and let them share what they have learnt. The teachers will also be available to talk to should you wish extra guidance on any particular questions you may have about internet safety at home.

If there is anything you can already think of, could you please let Miss Scanlon know via the school e-mail by Friday, 3rd February 2023.

Can we take this opportunity to remind parents and carers that further information about online safety and reporting concerns can be found at the CEOP (Child Exploitation and Online Protection) <https://www.ceop.police.uk/Safety-Centre/> and NSPCC <https://www.nspcc.org.uk/keeping-children-safe/online-safety/> websites.

As always, we are here in school to offer further advice should you require it.
